“ *Beautiful tribute to Dot, we met Dot and Bill at Walden Lake Social Club enjoying dinners out. Dot was such a beautiful lady and I always loved chatting with her. In the last year or so we would private message each other on Facebook. Thoughts and prayers for Bill and all the family.*

“*Dot and Bill have been such sweet friends of ours for 30 years or so. We enjoyed many hours of fellowship in church, and many dinners out. We remember donuts and coffee after Sunday evening services, and chicken after Sunday AM services. We had lots of fun conversations, and shared difficult seasons of life. Dot loved her family deeply and was devoted to Bill, and was so appreciative of how he cared for her their entire marriage, and especially during her most recent difficult years. He is a treasure, and she knew it. I will miss my long phone calls catching up, and our dinners out when we visit Florida. But I have great confidence that we will meet again, and that Dot is now healed, pain free, and enjoying meeting Jesus, whom she loves so much. Our prayers are with Bill and the girls, and all the many loved ones who will miss her so much.*

“ *Dear Family,
Memories are too numerous to choose one to share, but my mind is flooded with a lot of memories and thoughts. Being the same age and growing up together in a large extended family provided many good times and just sharing life together. Bill, you and the family are in my thoughts and prayers. May God cover each of you with His sovereign grace and grant you a beautiful peace. Thinking of each of you prayerfully.
Love and prayers,
Louise*
