Mrs. Bishop was my typing teacher who I oftentimes quietly thank while I am at work. The skills she taught me are invaluable. She always had a joy that I will always remember. Condolences to her family and friends.

“ *Dorothy and I were teachers in the business dept at Mulberry high school. Our friendship lasted for 30 plus years. Celebrating birthdays every year too. She was a special lady and loved teaching and loved her students. I will miss her very much.*

“ Mrs. Bishop was my typing and shorthand teacher at MHS. She gave me rides home if I stayed after school for FBLA. She encouraged my artistic endeavors. When I returned to the same high school to teach art, we became colleagues. We ate lunch together in the small teacher’s lounge across the hall from her room... she always brought me egg salad sandwiches with olives in them... and I let her do it as I was a poor, starving beginning teacher. She was a kind and genuine person and I will always remember her fondly.
