“ She was my Aunt. I love her. She was a beautiful lady inside and out. Will truly be missed by the family. Sad to have to say good bye to her but I know she is in Gods loving arms now. . She was the last of my mothers brothers and sisters. That generation of our family is gone now and they are all missed. I think about them everyday and my grand mother too. Aunt Dot I will miss you so much. Will always remember the memories you left behind. You was Aunt and friend to me . I wii always Love you. You are now with my mom. And all your loved ones t Memories live forever.

“ I will miss you so much. I am grateful I got to see you today, I met some more of your family and they are beautiful. In the short time we knew each other I grew very fond of you. You came in as a patient and left as “momma” (as I called you)I’m sad to think of when you are gone but I smile when I think of our memories. I will treasure those and I will see you again to reminisce. FLY HIGH MOMMA ANGEL. Until we meet again...I love you ❤️ Jennifer Marty

“ I just wanted to say how much she ment to me. Words cant describe how much she will be missed. She wasn't just my birth mother she was my MOM..my best friend. She was the best mother i could ask for. No matter what my siblings and everyone else thinks, she was my rock and my idle. She seen me through some of my worst times and the best. That's all I could have asked for. In her last moments of her life i was blessed to spend a moment I'll treasure the rest of my life, and nobody can ever take. I am grateful to spend me and my husband's anniversary celebrating the wonderful life she lived and to lay her to rest. We live by the 10 commandments and the fifth is honor thy father and thy MOTHER I can rest easy knowing i honored her till last breath.
