“ Our deepest sympathy is with your family. We were quite saddened to hear of Dot's passing. She was a wonderful neighbor and friend. I remember her smile and laughter as my sister and I were growing up across the street. My mother was grateful to have her as her neighbor all those years. We are thankful to have had the pleasure to know her. May God embrace you and give you peace and comfort as Jesus welcomes her into his arms.
With fondest memories,
Mrs. Hiza, Margaret Tillis and Susie Becker

“ Our condolences to you and your family Donna. I have many fond memories of your Mom as we grew up as kids around the corner from each other. I remember playing at your house and how nice she was to me. May God bless you with peace, comfort, strength and love. May Dottie rest in peace now with sweet Jesus.

“ I love thinking about how much I loved Dot, and how much she encouraged and mentored me as a new mother when we were neighbors on Broad St in Tampa. And you were a super babysitter! Plus I remember driving out to Dover whenever I could to eat you mom's vegetable soup made from leftovers. I wish I was closer to be able to attend her funeral. Our prayers to Lamar and all of you.
