“ *Grandma, I'll miss so much about you. How you'd push me off when I tried sitting on your lap, and push my hand away laughing when I tried tickling your ear, your humor and sarcasm, having no filter, going on our day trips, long phone calls, playing rummy all day together while you made me ramen...and of course..playing bingo together. I know your last week was hard and I wish we could of been there for you..but what's important now is that you're in a better place and that I know you'll always be in my heart. I'll love you forever.*

“ *Our sincere condolences to Dorothy's family and friends. Our hearts are broken. Dorothy was a sweet lady and friend. She loved playing bingo more than anyone we ever saw. She loved playing bingo as much as Mr. Sam loved calling it. He loved to tease her about her accent. We will miss her so much. She is in heaven now and feels no pain only Joy. Love and prayers,*
