“ In the mid 60s in a small community of Croom A Coochee little did I know the day I met Lamar and Donnie that this family would Bless my life the way it did. For our friendship was more than friends it became my very important extended Family. From Mr. & Mrs. Roberts I learn that Family was so important. From the first time I met Ma Roberts she extended that to me and we had a bond that last still today. I loved sharing memories with her and could spend hours just reminiscing. She was my Moms special friend and she was so good to my Mom through all those years. For if you knew Ma Roberts you were fortunate to know the best in this old world you could know. I love her and she knew that and that was so important to be said. So if you have someone out there that you love never leave them without telling them that you love them as that is how she always ended our visit as I did also.

So to Carolyn and Chuck and Lamar and Sandy and all the Family I need you to know that Ma Robert had shared with me when Donnie passed. Her Faith in Jesus and that with that her strength knowing that we will be all together again in Heaven. My Prayer for each one of you is you can find strength in Jesus own words in "John 14:1-4"

with all my Love Donnie Jordan

“ My parents Ivan and Nettie Klepper and I as a child of about 12 lived in Palm River a small community in Southeast Tampa. My cousins Lamar and Donny were visiting and myself and them went across the street to a nearby pond. One thing lead to another so into the nasty old pond we dove. As circumstance happens my shorts and bvd's slid right off. Shortly after Aunt Dot began calling us home. Thus this skinny at the time red haired boy had to hoof it home in my birthday suit.

The reason I share is story is due to the fact that the last several times I visited my Aunt Dot clarity came to be and she would tell it with laughter.

She will forever be in my heart. Dot Robert's was so much more than my aunt as she was to so many.

My love for her children, their spouses, her grandchildren, great grandchildren, family and friends meant the world to her.

Jesus teaches us love and my Aunt Dot taught it to us.

Aunt Dot, your bobber just went under. Enjoy your fishing with Grandma, Aunt Bessie and mom.
