“ Gene, So sorry to hear of Dot's passing. I looked for your number to call but could not find it. You and her were together for a long time and I know you it will be hard to go on without her. Take one day at a time and hang in there. My heart goes out to you and your family. God bless.

“ I have so many memories that I will carry in my heart forever. The fondest were Thanksgivings spent In the kitchen together where she taught us how to prepare her special dishes (with the exception of the year she forgot to give one of us her dressing recipe). Dorothy talked me into being a School Bus Driver and was one of my instructors. She was a precious second mother (mother in love), great friend and an amazing Nanny. Until we see each other again, her memory will live on forever. ❤️
