“Dorris is my very best friend I will always remember the good time and not so good times many memories of fun days. she always told me I made her laugh in return she filled my heart with joy and made me a very special friend to her. Our friendship was the kind that very few people can say they have ever experienced. I will miss you Dorris and always love you. guess what, I will see you someday. If I cant find you at the Gate I will look for you at the feet of God. True everyone loved Dorris she will always be in my heart also. Long long time friends of 44 years.

“There are so many memories I have of my sister Dorris. Don't know where to begin. And it would take all day. I thank God, for allowing me to be at her side when she when to see him. Out of 13 children our parents had, it down to just 2, now. I know she is so happy now to be with Glenn, Mike, our sister's and brother's our mom and dad her grand son, and others who have gone before us. I know what a loving family, she left behind but one day we will all be together again. God is her protector now and always. We all love her and she will always be in our thoughts. I love you very much Dorris, and I will never for get the good times we had. Jo Ann, Chuck, Theresa, Greg, Tara, Aspen & Autumn
