“ *I had the opportunity to spend many moments sitting with Dorris (known as Dee's mom) and she always had a smile on her face. We would talk mostly about the Lord, so I know that she is sitting at the right hand of our father as I type this. Praise God. What a wonderful place for her to be. I want thank Dorris for a wonderful daughter that she brought into this world who has touched me and my family in ways that words cannot even express. Thank you Dorris! You are loved and I will see you sometime in the future! May Peace Joy and Love rest on everyone that will read this!##imported-begin##Amie Perez##imported-end##*

“ *My thoughts and prayers are with Mrs. Downey's family and friends. Mrs. Downey will be greatly missed. She was so sweet to my mom and me. She always asked about my son and would send him special little gifts on holidays that he adored. My mom was her hairdresser for quite some time and I know she will miss Mrs. Downey tremendously. God bless her.##imported-begin##Kristen Striplin##imported-end##*
