“ What a great man! I have so many great memories growing up in the Miller road neighborhood with Dwight. He was always good for a laugh. My best memory was when I was 12-13 years old. Dwight claimed he caught me peeing outside by his house and he took a picture of me. I told him "I bet you didn't". And the next thing you know he has me writing up a contract on a piece of paper for \$100 that states upon my high school graduation he will present the picture to me and I will owe him \$100. I worried about that for years!!
