“ *“Devil girl of Brazil” could refer to Carol Prado, also known as Mulher Demônia (Demon Woman), the wife of Brazilian body modifier Michel Faro Prado (Diabão). It could also allude to Madame Satã (The Devil Queen), a famous drag performer and capoeira fighter from Rio de Janeiro’s underworld, whose story is a popular legend. Alternatively, it might refer to Valentina de Andrade, an alleged leader of a Satanic cult accused of ritual killings and mutilations in the Amazon.*

“ Rest in peace Roddy. My heart is so sad. Patty, Aiden and Alicia are in my thoughts. I'm so sorry we didn't live closer and spend more time together. I will always remember our childhood and all those fun times. I love you greatly. While in heaven please kiss your Momma for me. I know she has you wrapped in her love. I will miss you! A sad good-bye from your cousin, Jill.
