“ *Although my husband and I never have had the opportunity to meet Mrs. Davis, we have loved the little time we've spent with Mr. Davis. He's shared a few stories about their life together while my husband did some work on his cars in the shop. We loved the opportunities we've had so far to work with the Davis family. “ I remember her telling me how to wash strawberries every time I get some. She told me to not soak them in water to just run water over them. They would get mushy to just run water over them. Not only do I have a lot of her receipts, She was a very good cook and I think of her good cooking. She and I were good friends and I will always be grateful for her love of me and the Davis family! I love you Earline RIP my friend!
