Eddie (Wrongway) Chapman

Plant City- Mr. Eddie L Chapman, 68, passed away Saturday, November 13th, 2021 at Ocala Regional Medical Center.

Born on September 29th in Indianapolis, Indiana his family moved to Florida where he attended Auburndale High School and held several track records for many years. At 18, Eddie joined the Marine Corps (Oohrah!!) earning the rank of sergeant protecting and serving our country for five years.

Eddie savored time spent with family and friends, traveling this great nation of ours and cruising the open road.

Eddie's legacy carries on through his wife Jerriann Chapman, his sister Mary Jamison, his sons Jeremiah, wife Mai and Matthew, wife Amber, his daughter Brianna Polk, his grandsons Ali and Cimi Chapman, his former wife Monette Chapman and in the hearts of extended family and friends.

For his family, he was more than a husband, father, brother or uncle, he was a friend and a mentor. To his friends, he was more than a friend, he was a brother, a father or an uncle. Beloved and respected by many, Eddie had a way of

speaking
that compelled people to listen.

Eddie, we love you. All those things that you taught us and what you meant to each one of us we will never forget. We miss you today and will remember you forever.

While we may have lost a truly great man, we have all gained a guardian.

“ You are going to be missed more then you know my Wrongway. If you did not know I was the one to name him Wrongway. Our family vacation was bikeweek and that is where I met him and Jerriann. On one of our trips out Eddie said follow me. We had a good group with us and was having a blast until he took us down a dead end road that ended in the state highway patrol station. With Slick being my dad and everyone else that was with us, that was not where we needed to be..lol So from that day on and for always he will be My Wrongway. Love and miss you my out of state boyfriend.

“ *Jerriann and family,*

I have known Jerriann and Eddie for a long time and was really sorry to hear about the passing of Eddie. My prayers go out to you and your family and although nothing will bring him back, he will always be in our hearts. I will be praying for you guys and our hearts go out to you. No one knows how that feels until they have been there and I hope I never have to know. Jerriann, you have been my best friend since childhood and we have been through a lot. When you need to cry, cry and if you need to yell, scream, do it orr do what you need to do. I remember you telling me this when my dad died and it sure does help. Anytime you need to talk, you know who you can call and talk to. I will be there for you.
