“ Our outpouring sympathy goes to the family at the loss of Edna. We understand she really enjoyed fishing, one of her best "catches" being Leon. During our sorrow, we can rejoice in the knowledge she no longer suffers pain.

“ *my great-grandmother was some one that understood me when no one else did and loved me threw thick and thin ! when ever i was little i was always with her. we would go up to the lake and she taught me how to fish. when ever we went down there that's all we ever did. she was loved by many and still is. her passing away was very tragic for every one but we all have to understand that she is in a better place now and she is watching over us & watching us succeed in life!!not 2 long ago i was at her house and she taught me how to make monkey bread. that is a memorable event that happened in my life! she also taught me how to cross stick, make bracelets out of beads and many more ! just knowing that i had a wonderful women in my life like her just makes me smile and know that she will always be with me in my heart, she is the person when i have a hole in my heart she is the one to fill it and i love her always have always will! GRANNY I LOVE YOU AND CANT WAIT TO SEE YOU AGAIN IN HEAVEN!!!!!!!!!!!! <3*

“ Edna was my granny. I never really had a great grandmother until i met her. I looked up to her as a strong, dedicated and beautiful woman. My favorite memory of her was on mothers day when the whole family got together. Seeing her smile made me the happiest person. Everyone enjoyed that day & we all were gald to see her. I love her with all my heart and know she's in a better place and thats all that matters. She's in my prayers.
