“ We didn't see each other for quite some time but it was always good to hear Uncle Eddie on the phone. He was a good man and a gentle soul. I just want to believe that Ed and my Dad are together fishing somewhere, laughing and smiling. Those are the memories we will keep in our heart. Love to you all.

“ Sorry to hear of our loss of Eddie. Some of my best memories were when it was his senior year (my sophomore year) when we worked in the Poconos, along with Jim Klingerman. We also hunted together during that time. He would also tell us about the great girl he knew in Ringtown. That was about the only time I heard him brag. Even though, he was one of the best basketball players to play at Nuremberg. We'll miss him!

“ *Condolences to my Aunt Janet and my cousins on the loss of her husband, and their dad,... my uncle, Eddie. What sweet memories of family times together with he and uncle Bill, also lost to us just a few years ago. Many good times they had with my dad I will not forget. We will all miss Uncle Eddie ...*

“ I worked with Ed at Clark and Daughtrey. He was always kind, professional and wanted to help me when I called him. He always had a smile for me. I had the privilege of cruising with him, his wife Janet and his daughter Lynn, to the Panama Canal. He was great fun to be around. My daughter, Linda and I always enjoyed his company while visiting with him. I loved him dearly and will miss him.

“ I enjoyed knowing Ed and I'm thankful to have spent a fun time with him this past holiday season with a candy moustache. He was a kind and loving man and will be greatly missed. My thoughts and prayers are with such a wonderful family.
