“ *I treasure the visits of Uncle Haven and Aunt Eileen to the family farm during my youth and the special times with Norri and Judi. Aunt Eileen was always interested in what I was doing, We kept up long distance with phone calls and letters. Finally, Alan and I travelled to Florida to visit. She had us drive her to Plant City so she could buy us strawberry shortcake and we could visit the cemetery. She was an excellent cook! We sure surprised her at her 90th birthday party. Sure will miss her. Loved you so much Aunt Eileen, Alan and Sue Whelpley*

“ *I will always remember her at Mom's table playing cards. I guess the whole table is gone now: Mom, Eileen, Ruth, Gertie, Haven. Still fondly remembered.*

“ My precious Eileen, you will be missed so much . Your loving smile, kind words and deeds towards everyone. Playing cards will not be the same without you. We have spent many hours talking to each other and listening to each others pain and troubles. I will miss you but I'm happy that you are out of your suffering. RIP

“ First of all, I love the picture above and this is how I will remember Mrs. Perrin. When I told Austine he said, "I feel like I've known her all my life." Indeed, we have known your mother (almost) all of our lives. You, Judi are my dearest and most long term friend and my heart aches for you doing this time of loss. I hope that eventually you can celebrate a long life that was well lived. Most importantly, we will all meet again. Thank you God for your assurances. We love you.

*“ I will love and miss you every day Mom. Thank you for being a special mom and a super Grandma. It will be an amazing reunion when I see you again. I know this will be your best Christmas ever, so I'll try not to miss you too much. Thank you for loving me, and for making sure you told me so before you went home to be with Jesus.
