“ *The Miller family from Cortland, New York would also like to send condolences to Eleanor's family. Our mother Marian Cummings Miller was first cousin to Eleanor , I believe. Our grandfather Ray Cummings was Leslie's brother. (Know Eleanor mostly from family reunion gatherings at the farm at Groton, New York). Eleanor was a wonderful person. Hoping all Eleanor's family will be comforted at this difficult time.*

“ *I want to express my condolences to family of Eleanor - as I grew up with her as a neighbor here in upstate NY -- neighboring farmers. She was always an idol to me and I have cherished many phone conversations we have had over the last 4 yrs....reliving many episodes of activity in our childhood. She and Kay visited me when i lived in Ithaca and we spent time at our 'cabin' on Buttermilk Creek - probably 7-8 yrs ago - treasured times. My long time friend - may she rest in peace with love.*

“ *My thoughts and prayers goes out to Barry.. I always loved your mother. There could have not been a more precious, more gentle soul than Eleanor. I have such great childhood memories of you all visiting Arkansas , always around Strawberry season! Everytime I think of strawberries I think of her! ❤️ My mom, Leatrice , loved her more like a sister than her own! I lost touch with her through the years and so sad to read of her passing. Sending much love and prayers to you, Barry and all that cared and loved her. I'll never forget the memories! ... Dianne Edwards Dare*

“ I have such fond memories as a kid...on the farm in Groton New York - with neighbors like the Cummings..... Eleanor was an idol for me growing up. I truly loved her. And after her family left NYS, we did stay in touch. And recently, over the last 4 yrs , after moving back to the old home town of Groton, myself, Eleanor and i have had many phone conversations - revisiting old memories .....each phone call was such a treasure. My true heartfelt sympathy goes to all her family at this time.

“ *As a little girl, I spent many days at The Rod and Gerry Hatfield farm. I was so lucky to have shared my 'apartment' with El. We had many good giggles - she was always just so nice to me. We shared letters off and on and it was always a joy to get to chat with her. I'm sorry for your loss. ~ Kathy DeLucia - (Roxanna Hatfield's daughter)*

“ *Right after I was married, Aunt El wrote me the most beautiful letter welcoming me to the family. She was encouraging and affectionate and put my anxiousness to rest. When we actually met for the first time, she extended the same warmth and acceptance. Her sweet, loving nature endeared her to so many and we will miss her gentle smile.*
