Elfi, I am so saddened of this tragedy but want you to know that you were so loved and thank you for being a part of my life. We have shared many laughs, tears and stories together so great memories are plentiful. Heaven has a new angel to watch over the rest of us but we will all be together again someday. I miss all of our fun camping trips and riding days. You could sure liven up the party and decorate to the nines. Love you much Elfi, God Bless You, Marcelle
