“ Betty and I were classmates at the Child's Garden of Learning (grades 1 to 3). In the third grade class play called Alice in Wonderland, Betty was the Queen of Hearts and I was the White Rabbit. I will not forget my first love. Betty always had that smile.

“ Such sweet memories of Betty from Dixieland School thru LHS. We watched Miss America Neva Jane Langley parade from Dr. Mentzer's office window in Marble Arcade together. Everything was a joy with Betty. As was she. Love to her family. Gail Akins Ulrey
