“ I am disappointed that I won't be able to make it to pay my respects. But Beth was my 'Aunt Beth'. I don't have too many memories when she wasn't around. I can still hear her voice and see her smile sometimes. I missed you when I moved away with the military but thought of you all the times. Earth is definitely dimmer without you hear but man the angels must be have a ball! Love and miss you always Aunt Beth - Liz

“ *I will always remember Beth. She was a shinning light. Always there to lend her ear and true felt sympathy for any issues her friends were going through. She always had great smile too so when you saw her you could'nt help but smile too. My thoughts and prayers go out to her family. I know she will be greatly missed. Have strength and know we will all see her again one day. God bless, Judy*

*Beth was one of my first friends in life we were 6 yrs old. We had been out of touch for 20 yrs or there about. Started looking for her and Aunty Elaine. It was too late. I am guilty. I loved her so.*
