Betty was truly a beacon of light for her entire family as well as many, many good friends. Your video tribute to her showed the many ways she gave freely of her love, smiles and laughter to those she was around. Your choice of her music let us hear her heart for our Lord Jesus and her assurance of Eternal Life in Heaven! I promised myself I wouldn't cry, but the heart moving music was so perfect that I had some happy tears. I loved your mom!
