“ Papa,
We know now you can no longer stay with us, you have fought long and hard to stay. Now that you are at peace and no more suffering. We now know you are watching over and protecting us all. We are going to miss hearing your voice or seeing your smiling face,
We know deep down in our hearts that you have not left us, you will be surrounding us with the singing of the birds, the rising of the sun and the falling of night. So many broken hearts are left behind. But we all know your with the angels and God above looking over us, but our love for you will never end.

We love you so much!

“ Dad Curtis was my second dad and I loved him so much. I was so glad to have been here to tell him while he could still hear me. Knowing he was ready to meet Jesus is a such comfort. We first met about 34 yrs ago when Mary, my wife and his oldest daughter came down to meet for the first time. We were made to feel like family right off including my dad who was with us. In the years since we would watch football(Bucs) and politics(Dems) and spar a little over who was best. Guess who won. I'll miss you Dad, but I know where you are.

I will never forget the first time I met Uncle Curt. Myself , Louise, Mike, and Diana arrived at their house around 1:00 am even tho Louise an I were just dating at the time, I wasn't a part of the family Uncle Curt and Aunt Thelma opened up their house and welcomed me in. Treated me like family and shower me with love from that time on. I all felt at home at their house. I always knew Uncle Curt loved me even tho I was a georgia bulldog fan. Will truly miss our deep conversations. Rest in Peace Uncle Curt i will see you again in Heaven love you jerry
