Jay will be graduating in just a few weeks, and we both wish you were here to watch him receive his diploma, but I know you will be watching him from up above. it's not the same without you Vito. I am sending you a huge hug and a kiss on the cheek , like I would always give you. Give Mom a big hug and you girls be good in Heaven. Don't be throwing frogs at Jesus LOL I love you so much

“ My heart is broken at your departure but, I know you are no longer suffering in pain.I thank God for having blessed me with a sister like you. Growing up you took care of me, loved me, taught me , scolded me, and held me. You listened to my problems and you protected me. You always had my back, as big sisters should. My life is incomplete without you because you are gone. You left me with beautiful memories, some that are just for me. You are always in my heart and In my mind. You were an amazing mother and wife... I learned a lot from you and know that you were a fighter to the end like our mother. I want to be as strong as you sister. Thank you for all the laughter and for always making us smile .I just gather strength from God and in knowing that one day I will see you again. To my nieces I say, you are not alone. You have us aunts, uncles, cousins and most of all your children and each other. She left a beautiful legacy and a courageous story,and it's still being written by you her most treasured love! I love you!

My heart is broken , and there is an empty space that will never be filled. Nobody will ever take your place in my heart. You were not just my big sister, you were a mom and a great friend. May you rest in God's peace. I promise to always be there for my nieces and my brother in law. I love you Vito forever*
