“ The Medrano Family gave me a safe place to turn and provided support and many fun memories during a very difficult time in my youth which I will forever be grateful and will never forget. My husband and I were blessed to reconnect with them for a very special occasion not very long ago and the entire family was the same sweet, loving and fun group of my memories. I was very lucky that Brenda boarded the school bus right after me and quickly befriended me on that 1st day of school so long ago.

2 Corinthians 5:8 To be absent from the body is to be present with the Lord. Fly High Mrs. Medrano as you have earned your angel wings.

God bless all of you,

“ Vera was a beautiful woman with such a loving heart. My favorite memory of her is from the day Trevor was born. I ran into the hospital waiting room where she was sitting. She saw me and with a big smile announced, “Our baby girl is a little boy!” She blessed all of our lives. ❤️ Carol Hughes
