“ OMG my childhood Best friend forever! You were my very 1st friend when we moved to Plant City from Texas. We had some great times at Cork Lincoln and Marshall until our pathways split ways and you went to Turkey Creek and I moved on to Tomlin Jr. High we met again at PCHS but, you had entered another world I was no longer a part of but, we still saw each other with Love when our paths crossed at school! Please say Hi to all of the others that have gone before us. I'm sure you were met by a huge entourage of family and friends waiting there to Welcome you into your eternal rest. Your entire family left together United as always! Fly high my friend I Love You and watch over us! We need an Angel on our side!
