“ My beautiful blue-eyed Jan, go with him, your beloved husband and life partner, always together my happy old people. Always helping your neighbor, it feels like a void that is very difficult to overcome, I seem to see you watering your plants or feeding the birds, or sitting with Berlin drinking your cup of tea under the tree, I will be calm because you are with him, Thank you for so much love for me and my children, for every moment you dedicated to taking care of us, for every trip to Walmart, for every cake and present for my children. I carry you in my heart and in my memories like a mother, 10 years ago I arrived at Mulberry and you were my angels of hope every day. I liked the way you wanted to hit Berni with the stick, we had a good time and I thank God every day for having met you and I feel sad but I know it was your will. Such a beautiful love, what a blessing to have met you and shared moments of my life, from you I learned to be brave. Thank you Jan, I always love you ❤️🙏 you will be in my heart.
