“ I remember when Erma, Bet and Tiny came up to mom and dads house for a visit and my son Ritchie was very young. He whispered to me.....”mom, are they the golden girls?” We all had a big laugh. Another time we pulled our camper down to Florida and nothing doing but we back our camper in beside the house and park there while we were in Florida. Lots of fun times. Keep her memories going as she will definitely be missed. Love to the family.
