“ Granny, We love you & miss you. I cant wait to see you again. I take comfort in knowing that you are walking the streets of gold with Paw, Momma (Dorothy), Aunt Reba, and all the others you have been missing. We will be together again someday. Until then know that you raised me well and I am very thankful for that. I am in good hands now too so you dont have to worry about me. I love you Granny. Love Always, Betsy##imported-begin##Alvin and Elizabeth Grier##imported-end##
