“ I used to know Eva when she attended Lone Oak Baptist Church. I visited with several times and think of her every time I pass her road. She was so funny and always joking around. One thing I remember about her was how much she loved her husband. May God bless her family.

“ *I grew up two doors down from the Almon's. I spent a lot of time on Eva's front porch in the swing talking to her about everything under the sun. I also watched wrestling on TV with her. She was always a hoot. I treasure the memories and am sad about her passing.*
