*Nana, As I grew up and moved away to start my own family you were always close in my heart. I have wonderful memories as your granddaughter growing up and I will forever cherish them. Several years ago you gave me a handmade gift for christmas, it now holds such precious sentimental value for me. You will forever be missed by me, and the great grandchildren and 2 great great grandchildren I am honored to of blessed you with. Until we meet again.... I love you!*

“ *Eva, my great grandmother and my Nana. I remember as a kid, waking up in the morning and you would be here because I needed a babysitter. Or I would go see you all the time and we would watch movies, or you would color in my coloring books with me. I even read my first chapter book with you. But as I got older I drifted away and didn't get to see you as much. I wish I would have visited more. I'll never forget the memories we made and fun times we had. I will always miss you and love you.*
