“ My beautiful Evelyn was exceptional to anyone, I have ever had the pleasure of caring for. Although i was caring for her she cared for me in the most beautiful way. She was beautiful inside out. She showed me love genuinely. She listened to me and her hugs gave me strength to go on in my own life. She was a warrior and I looked up to her in life and now that she has left us. My deepest condolences to her beautiful family. She will never be forgotten by me. May she R.I.P.

“ I only knew her for a few months last year while I was in Solaris across the hall from her. She was always smiling and happy . Always wanted a hug and always shared her candy. I spoke to a CNA just now she said that she was always so nice to the CNAs and everyone. She will be missed
