“ Mammaw, words can't explain how much I love you and miss you already. You were way beyond more than a grandmother to me. You were a second mom. Every time I needed you or papaw y'all was there with arms wide open even when I would be in the wrong. My babies were your world and I just do not know how I'm going to get through this. I love you so much and will forever. I will make sure my babies know and remember every single thing about you. Please Mammaw , smile down on us. I promise I'll forever do my best at being a mother to them just like you always wanted me to do. I love you Mammaw.
