“ What wonderful memories I have of Uncle Hulen. Always a smile for everyone he met. Rita and Hulen always seem so happy laughing and sharing family memories together. I know that he is singing in heaven today.

Rita will be praying for you and your sweet family. Tell everyone hello for me. Love Janie

“ *We will miss Brother Hulen, he was such a loving man and a devoted servant of the Lord. I am grateful that my family had the chance to know him, worship with him and love him. He will be missed. Our prayers go out to Rita and the family. Brother Hulen spoke at my dad's funeral 10 years ago and I hope the same comforting scripture that he shared with us might console his family as well – Ecclesiastes 7:1 “A good name is better than precious ointment; and the day of death than the day of one's birth”.*

“ I will truly miss Uncle Hulen.. He was the cornerstone of the family. I spent many holidays with him and his family and enjoyed them all.. I remember going to the lake house and fishing in the pond behind Mitch's house, pulling weeds in his garden, putting up tarp to cover the plants in the winter and going out on his boat on many many occasions. I will miss his laughter and practical jokes.. He was truly a fantastic father, grandfather, uncle and friend... Rest now and forever Hulen, you will always be loved and missed... Thank you for everything that you did for me and my family...

Love,

“ My "Deepest Sympathy" to Rita and her family at their time of grief. My Dad, Ervin loved talking about his favorite cousin Hulen. We heard some really awesome stores about those two when we were growing up and I know he will be greatly missed. Hulen was such a wonderful man and a hard working man. I know he has struggled with his health for many years and the Good Lord decided to call him home. We know he will be in God's Glory with all the heavens and angels to comfort him on his journey there. He will no longer have any suffering, bless his heart. I know he will be greatly missed by many. I know when I did visit him at Church in Keysville, he always had that big hug to give me and that beautiful smile. I will have those wonderful memories with me for always..

“ Granddaddy was the true definition of a holy, loving, hardworking man. He has made very many of my happiest childhood memories and i will forever miss hearing his sermons on sundays. Very many will miss you but we understand you are walking in peace with the lord and forever continue to look down on us. May you forever rest in peace my sweet granddaddy.

“ *Granddaddy was a special man that touched so many lives. Some he knew of and some he didn't even realize.... I don't think he knew how he touched me. I will miss him so much but am also happy for him because now I know he is WALKING on streets made of gold! Every day is a church day for him now! I love you Granddaddy!*
