“ Aunt Polly, The last day i spent with you, you gave me so much comfort, you understood how much i miss my mom, dad and Alexandria, we shared so many memories and secrets we laughed about, my pain was your pain, i miss you an i love you very much. Kiss pop mom and Alexandria for me and i hope you all are together, that is how i think of you, all of you walking the streets of gold laughing and loving each other, know the ones you left behind will not forget you. YOu said you would see my alex and tell i did love her and i know you will, hope you are at peace looking down on all of us, i will remember all you told me to make it until i come to see all of you. Rest in peace and fly high. Love you, Lynn Prescott##imported-begin##lynn prescott##imported-end##
