“ To the Family of Mrs. Florence Curran and specially to brother Jim: God be with you as you walk this path which for us Christians is a mix of happiness; knowing you mother is now resting in the peace of the Lord, and sadness because as humans we would like to have our parents forever. Having lost my mother long ago, let me tell you that I share your feelings and be sure she is now enjoying eternity. That precious life that Jesus gave us with His life, dead and resurrection.

Thank you brother Jim for been part of the LeadaChild family, where with your time, talents and resources, you are helping us to share the good news of eternal life with so many children and their families around the world. Your mother will be proud of you!

“ I am so sorry to hear of the passing of your Mother. I know she will be missed but I can see from the Life Tributes that you all had a great relationship with her. I only met her once or twice but I knew a lot about her. After all, she raised Carol to be the person she is today. Deepest sympathy, Johnnie Pugin

“ Carol and family, I am so sorry for the loss of your mom. My friend, you're in my thoughts and prayers as she is laid to rest today. We shall believe that a final reunion awaits us: "So with you: Now is your time of grief, but I will see you again and you will rejoice, and no one will take away your joy." John 16:22. Amen.

“ I worked with Florence for many years at the Department of Transportation. I loved her. Florence had a quality that few people have and that I admire very much. She didn't mind telling someone what was on her mind and, in my experience, she was always right. She was what I refer to as a 'straight shooter', my favorite type of person. I always knew that what she said she meant and that it was true. And, people just loved her. She had a kind heart and we really missed her when she left DOT. I'm so happy that she retired and went on to have a full and great life. I know without a doubt that Florence changed people for the better. Not many people come along in this life that have that gift. I know where Florence went so that means I will see her again. To her family, especially Carol - your mama was a wonderful person. I'm so sorry for your loss. You and your family are in my thoughts and prayers. God bless ya'll. Brenda Wood (FDOT)

“ Our family will always hold Florence dear in our hearts. She was a special sister-in-law and aunt, and more than that she was a kind and caring friend. We've all known her since our Michigan days, where we have special memories of her and her family at numerous holidays and events. Their visits to our cottage are fondly remembered. She had a special bond with Jade and always enjoyed her spontaneous hugs. She will be dearly missed by our family.

“ Florence was my mother-in-law and she was my friend. Mom was caring, kind and selfless. I always enjoyed her company especially listening to the stories of her life. She influenced my faith by sharing her belief in God's sovereignty and the importance of the love of a mother for her family. I loved her very much and will miss her sweet spirit. I look forward to seeing her again on that day I am taken home to be with the Lord.

“ *On behalf of the ministry of LeadaChild in Kansas, we want to let you all know that our prayers and thoughts are with you. In this time of loss it is always good to know what the Apostle Paul reminds us of about death in Romans 8: 37-39:*

" For I am sure that neither death nor life, nor angels nor rulers, nor things present nor things to come, nor powers, nor height nor depth, nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord."

God Bless you all,

Mom was that type of person that would do anything for anyone . I was honored to be raised but such a loving and caring Mother, she would never rest until my life was calm. Mom was devoted to our Lord and served as an example to me and brother and sister which resulted in three successful children in life. I will miss our deep talks and the calming effect Mom had throughout my life . We finally made it Mom - to be in peace with our Lord
