“ Mom thanks so much for the 38 years you gave me. I thank God for you, and the fact you raised us in a local church growing up whit Christ our savior. I spent time at the old Ahava Baptist church the other day, the pastor let me in. I sit in our old seat where we sat the whole family. Just remembering my childhood worship days, and all the times we had at that house there. It was really great times we all had. That oak tree you planted has grown so big. I saw it when I was there. Spent some time at Madard park. Wow what some memories there. Fishing on the board walk, Playing horse shoes, and one of my favorites playing in the Mountains LOL. I will miss you so much, I loved when I would come down and we would always go get some Cuban's and deviled crabs, one of our favorites. The times at Big Top flee market was always a blast. I am so thankful of your salvation with our one and only true God. Not sure what you are up there doing, but what ever it is I know you are smiling and worshipping our King. Praise God. I will see you soon momma death has no sting on me. Your beloved son.

“ Aunt Renie, I always thought it was cool how you popped bubbles while you were chewing your gum. I couldn't wait till I learned how to do it. Well, I learned, and now I am driving everyone crazy. They keep telling me to spit it out. You left your legacy behind just like Pumpkin. You taught your family about Christ. You are gonna be missed here but we will see you again. I love you.

Thank you for the memory.. Oh yes her gum popping. I have learned that as well.. Boy it does aggrvate special my family. It makes me laugh because my boys try to do it and they cant. Its funny trying to watch someone do. I am thankful for my mom keeping us in church. If she didnt i wouldnt have the chance to see her again. Her and uncle pumpkin did leave a legacy. I remember when i was going to Ahava he was my sunday school teacher. He taught me as well as your family about the Lord. Love ya Cheryl
