“ My heartfelt condolences to the Frankie Pierce family. You came into my life in 4th grade when your Dad, I believe retired from the military and your family moved to Pinedale (Hwy 37 south of Mulberry) mid-school year 4th grade for both of us. So now we were neighbors and classmates for many many years. I had my first crush that year. Never told anyone even another neighbor and good friend your cousin Jeanie Lankford. My heart healed and we grew up, remaining dear friends. As an adult you worked many years with my husband John Kautz at GTE/Verizon. We both shared friendships and fond memories with and of you and my friend you will be missed. Prayers for your loved ones still here but one day you will all be reunited and walking those Golden Shores with Jesus. Your friends in Christ, Debby and John Kautz until we meet again.

“ Hey Brother, You and I shared a lot of good times together when you were a member of the Sons of the American Legion. Many people thought you and I were brothers as we looked a lot alike. I guess that is why we were tight back in the day. Partying at Legion conventions and cooking every Wed. for many years at the American Legion post 72 for the bingo ladies. That was always a trip. Both Sandy and I want to thank you again for singing at our wedding 20 years ago. Love you Brother, and God bless you and your family. Tim & Sandy Bell

Frank was one of my best and closest friends. I am deeply saddened by his passing. I didn't know it would be the last fishing trip, golf game or singing next to him in the choir. I am glad Frank was part of my life and while I know he's in a better place...I miss him!

“ I remember when we talked on the phone a couple of hours,we learned a lot about each other. I'm going to miss you at church. Loved to hear you sing. You had a good ear to listen and you loved to talk:) And your best topic was about Ashley and your grandbabies. You were a great SS teacher as well. Miss you already my friend.
