“ We are sorry to hear of Fredda's passing. She was a great lady and it seemed you could not get anything by her. We always saw her working in her yard and at church. Of course, she was always included in the Richter family reunions. Condolences to the family.

“ I am so sorry to hear of Fredda's passing. I wish i had known so that I could have attended the funeral. We grew up next door to Ed and Fredda out in Springhead. Ed loved to cook and he would always invite my dad "Pap" if he was cooking something on the grill. Fredda was one of the most loving persons I have ever known. She loved it when you would just. stop by for a random visit. My condolences to the family. She will be missed.

“*Always a sweet spirit! Ms. Fredda was a sweet Christian lady that raised a beautiful family. Her three kids will carry on her legacy and sweet spirit. I am thankful that I was made a part of this family and enjoyed many meals around their table as Eddie and I went through high school and our first years at TECO together. Ms. Fredda will surely be missed by not only her family, but the many people she served at Wellmed with her smile and gracious care. Rest in peace friend.*”

“ Fredda was a friend for many years. I first met her when she started working for Dr. Brewer in the early 1980's. I remember her sitting in her little office shelling peas.
She sure knew how to cook and bake. She will be missed.

Condolences to her family,

Rodney and Karen Brewer
