“ Dear Johnny, Steve, Denise, Lauren, Kyle, Stephanie, Rick, Darby, Abby, Ricky and Ryan, We're so sorry for the loss of your precious wife, mother and grandmother! We care so much and share your grief, not for Fredna because she has no more pain and suffering of this life! Oh what a Glorious reunion that must have been on Wednesday evening 10:15 pm October 22nd 2014, when her heavenly angels came to escort her home to be with JESUS and the many loved ones gone on before! Where there will be no more pain, sorrow, tears and parting ever again! She is now singing in that Heavenly Choir! I can only Imagine!!! I'm a bit jealous! RIP my sweet sister n love! This world is not my home, I'm just a passing through! Oh I want to see HIM and look upon HIS face!!! The ONE who saved us by HIS GRACE! To live throughout all eternity with those we loved and miss! Continued love, hugs, prayers for Johnny, their children, grandchildren and all of our family!!! Love you all!

“ I wish I would have known. I just got the news and it brought tears to my eyes. I thank God that we were able to talk a few months ago and share in the goodness of Jesus. She is definitely a child of God and heaven is rejoicing to welcome her home.

“ *Mrs. Hunter was one of my kindergarten teachers. Even after all these years, she still remembered me and talked to my mom and I whenever we saw her (most of the time at McDonalds after church). She was such a sweet lady and inspiration and will be greatly missed but is in such a better place! ??*

I don't know why there are question marks. They were supposed to be hearts.

“ Fredna left a legacy to be proud of. She was a christian role model to me and many others. She was an example of how a christian woman could share God's amazing grace while being the life of the party, fun loving and compassionate. She has left her mark on my entire family. Mama and Daddy thought she could hang the moon. I became a better person because of her example. Fredna and Johnny have always been very special to my girls. She was an inspiration to all and will be greatly missed. She has received her reward early. I am grateful that this lady was in my life. My love and condolences to all the family.
