“ Gary was a great friend, when I became a Traffic Homicide Investigator he was my mentor. We spent many hours going over crashes I was working. I learned so very much from him, and knew I could call him any time, and did. Even when he was working as the Port Lt. In Jacksonville. Tracey your dad was a great guy and a very professional law enforcement officer 👍

“ As a young Plant City PD Officer in the late 1970's, I was trying to arrest a drunk driver who was violently resisting. Gary happened by, saw what was going on and came to my aid. I was and remain very thankful. Prayers for his family!

“ Gary was my Lt. and a good friend. We kept in touch by computer for many years until I got a new computer and lost his email in the transition a while back. He was a good guy and will be missed. My prayers are sent to the family.

“ I met Gary in the early 70's. I worked in Traffic Court in Plant City, and Gary would be subpoenaed to give testimony about the tickets he wrote.

Gary always stuck to the facts and was no-nonsense on the job. However, when court was over, or he was on break; you then saw his dry wit.

I had the utmost respect for Gary, he was such a hardworking guy who loved his family, especially his wife Dottie. I know the family mourns him deeply. I didn't see Gary often, but when I did, we would have a great time reminiscing. I will miss him.

“ I have known Gary since 1974. We were always friends. While I was employed by the Plant City Police Dept. I worked part time at Mr Bryant's Gulf Station. Gary came in every day for gas. When I went to the Sheriffs Office he took many accidents from me. He will surly be missed. What a great friend.
