“ Gary and met 20+ years ago playing trivia at what was then called Kazbors (now Duke’s). When he started playing at O’Brien’s.....So did I. We were the Flying Swines. He was on a team called the Barflys. When his team moved on, Gary joined our team. And the rest is history!

When I started hosting the Swines continued. An ever present force in the competition. I’d have to search pretty deep to find music To derail Gary. He was a constant in the music tie breaker!

Gary was O’Brien’s resident photographer! He was known by everyone! Always a smile on his face!

The void will never be filled. I will miss this man so much. Sail on my friend.

“ To my friend. You were a funny, kind, and sweet, man. Although we didn't talk regularly, I know that I could have reached out at any moment and you would have been there. My heart was broken when I heard of your passing. I've known you since first grade. Dover kids.
