“ Jerry always kept me out of his lifestyle, treated me like a Princess and encouraged my education, even gifting me his Corvette upon Graduation, in return I gave him his only Son, Genaro AUSTIN Camara born on August 5, 1989 during our time together from 1986-1994. I will never forget the moment after giving birth of you tenderly placing him in my arms with tears of joy & love. Austin still has the silver dollar your Father gifted you that Provi gave him.

You left this world the day after Austin's Birthday, so you!!

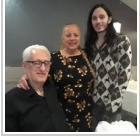

I know you'll continue to watch over all your Children, Grandchildren, Family, Friends, and tons of Girlfriends ;)

We'll meet you on the other side Papi ❤️

“ *The problem with life is we always think we have time..I moved far away but knew I'd be visiting Tampa and get to see you as I had before but we just ran out of time my friend. Around 40 years ago we became friends and right away knew we could always count on each other, no matter what. I'm not going to ever say goodbye because this my friend is not the end.*
