“ Gene is my brother. Older by 2 years. My first 16 years we were side by side day and night. We were different but alike as well. We had fun, worked, some brotherly fights but always love for each other. We completed, and chose our separate ways as young men. I always admired my brother Gene's character of wanting all things to be correct, I never could match Gene there. Love you Brother.

“ *My love and prayers are with the family, especially my dear friends: Jean and Sue. You have all been on our Sunday School Class prayer list for some time now. God is good, and His promise He will keep that He will never leave you and will be with you every minute of every day throughout your entire life. I am helping coordinate the meal for the family on Monday, but regret that I have a conflict and will not be able to attend. My thoughts and prayers will be with you.*
