“ *I love and miss you Uncle Gene!!! I will always cherish the great memories I had of one of the most caring men I ever knew. Uncle Gene was a great role model. He showed us to not take life so seriously and enjoy everyday. I will always carrying this with me. I will miss your funny jokes and your sweet smile.*

Aunt Beverly and Stevie, I wish I could be with you today in Mississippi. My heart goes with you through this time of sorrow. If you need anything please let me know. I will see you soon. Love to the family.
