“ Mr Paul, and Greg his son, and myself we'd have those times of prayer together and there was such a wonderful peace and presence of God. Mr Paul always had such a hunger and thirst for The Lord and the things of God. Our best conversations revolved around the things of God Mr. Paul was a real man in love with Jesus. Mr. Paul's greatest Prayer was that all of his children would know The Lord and be saved. He loved preaching and teaching the Word of God. I realize I've been knowing Gene Paul for 3 years, 3 months, and 3 days and so the Biblical meaning of the number 3 is Completeness. Mr Paul has Completed his assignment here on earth. Also I'm sure I know that I know one of Gene Paul's prayers is for Every person to be saved. And according to the Word of God John 3:3 tells how in order to see the Kingdom of God you must be Born again. And according to Luke3:3 to be forgiven of all of their sins, and on their way to heaven to live for eternity in Heaven with Jesus The Prince of Peace.. And there one day we will meet my precious friend and brother In Christ Jesus Gene Paul.

“ I don't know where to start with my dad. Dad lived a godly life I respect him very much. When I was growing up I never heard him say one curse word, dad never smoked or drank. And when he told you something you can count on it. My dad knew the Bible very well, whenever I had a question about the word of God he can take me right to the scripture. I can say of all the people I've known in my life he was honest well mannered and just a straight shooter and a very good man. I'm going to miss him very much but I will meet him one day in glory. With loving memories of my dad Greg

“ I remember when I was four years old, I had a really bad crick , in my neck. My Moma had done everything she new to do. So , she called her sister, my Aunt Faye, and asked if Uncle Gene could come by and pop my neck. She said yes , he came by on his Harley Davidson, motorcycle.told me not to be scaredmassaged, my neck for a few minutes then pop...I wasn't in pain , and could move my neck.

Years later when my Moma, passed I asked him to preach her funeral. She was in a car accident in Mississippi, Uncle Gene Paul, was lived in Florida. So through out my life my Uncle Gene Paul, was always there for me! I will miss him, but know he's with Jesus, and in no pain!
