“ I don't know whether I'm related to Geneva; but she looks remarkably similar to my late paternal aunt Ruth who lived in Newport News, Virginia -- and Geneva and I share the Cribbs surname. I was born and raised in Tampa, the son of attorney Roland Cribbs and grandson of Clearwater realtor Jacob Cribbs. I have (or had) other Cribbs family connections in Clearwater, and in western North Carolina, mostly in or around Hendersonville. I'm now 72 years old and have lived in Hawaii for the last 45 years of my life, mostly disconnected from my roots. But regardless of whether Geneva and I share common familial ancestry, I offer condolences and sympathies to those who knew and loved her.
