Dear Teresa, Marlon, Sherlene and Felita, Losing your mother so suddenly and unexpectedly is hard. With God's help, you'll make it through it. Love never dies and there will be memories always. You'll have many tears, but, someday, there will be smiles, too, as you remember her and the things she did and said. Until you can smile, may God bless you all and comfort you. You'll be in our thoughts and prayers. Love, Deborah Young Johnson

“ *Teresa, Marlon, Sherlene and Felita: So sad to hear about your Mother. She was always good to me and I've always loved her. I spent quite a bit of time at your house growing up and have lots of good memories. And before I was ever thought of, Geneva and Mother were the best of friends when they were growing up in Georgia, and Mother always loved Geneva. You're in a very hard place right now, but God is there and He will see you through it. I love you all and will sure be praying for you.*

I'm so very sorry and so shocked to hear of Geneva's passing. I've always loved her and remember her coming to the house when we lived in Georgia, and she and Doris were the Best of friends. I know this is one of the hardest things to go through with, but God will help you all. I love you all dearly, and my prayers are with you all. God Bless all of you. Louise Bruce Perry, Florida
