“ *Mr. Colley was a close friend, like part of the family. We have so many good memories of just spending time talking and being together. His recording on his home phone was priceless - depicting a life long Marine. He was always helpful to the Weinberger family. Always lending a helping hand. He will truly be missed by so many. Thanks again for so many memories. Betty Weinberger-Smith and husband Earl.*

“ *Mr Colley was a special one of a kind man to our family. We all loved him and respected him, especially my late husband Rocky. We lost him nine years ago, but Mr Colley was a dear friend and mentor to him. We will forever cherish the time and memories that we have of this great man. We know how much he missed Mrs. Catherine and Rocky. Now they will see each other again. What a happy day!*

Susan, rocky carver was a commonly spoken name in that house! Popsey always had a story about "ole rocky carver"....always had to say both first and last name to make sure we knew exactly who he was talking about!
