*My name is Paula my Mother's name is Omega Kistner and Greta was our bowling buddy. We were a team. A Lot of times after bowling we ate out together.
I always loved Greta's fingernails. So I guess you can say I started getting my nails done because of her. We shared lots of laughs. Greta would try not to curse but when she bowled badly she would say German word we all knew it was a bad word. We would laugh and say Greta!*
