“ Dear family, Jerry & me are so sad to hear of this dear woman's passing. Gladys was one of the kindest person I ever met. She always had time to stop & talk anywhere you might run into her. We enjoyed going to church together. We enjoyed going into J& G's to shop for jewelry and always came out with a great buy. She was a treasure, she was so proud of her family and talked fondly of you all. I know she will be greatly missed, but just think what a reunion she is having with loved ones go on before her. Go Rest High on that Mountain Gladys!! You were loved.

“ Gladys and I were in the same class at PCHS. She was always so sweet to me when I went into her jewelry store when I needed a new battery for my watch. I took some of my jewelry in one time to be checked that everything was okay. She cleaned it all for me. I had several necklaces and she was so sweet to give me little envelopes to keep them separate. She loved to tell me about her children and grandchildren that she loved so much. I think about her every time I pass the building where her jewelry store was located.
